The requirements of this Policy apply to the Mattison Scaffolding Ltd Workforce. Mattison Scaffolding Ltd further require that all organisations it contracts with have, as a minimum, an equivalent commitment to ensuring the absence of Slavery or Human Trafficking in all aspects of their dealings with Mattison Scaffolding Ltd.

The requirement for this Policy arises from the Modern Slavery Act 2015 (the Act) which defines modern slavery as occurring in various forms including:

- Servitude
- Forced or compulsory Labour
- Human Trafficking

All of which have in common the deprivation of a person's liberty by another in order to exploit them for personal or commercial gain. The requirements of this Policy are communicated to all of those affected by it through various mechanisms including the Intranet, Emails, Toolbox Talks, and Briefings etc. All Mattison Scaffolding Ltd.'s activities are subject to a Programme of Audits, Inspections and Observations aimed at assuring the ongoing effective implementation of its Policies. Any issues identified as requiring remedial action are assigned to those persons best placed to rectify them and actions are monitored through to completion. Should Mattison Scaffolding Ltd identify any issue of concern, in contravention of the Act, then it will bring such instances to the attention of the appropriate authorities and will work with such authorities to ensure the timeliest and effective resolution of such issues.

This Policy is subject, as a minimum, to annual review to ensure that it continues to reflect the absolute commitment of the Mattison Scaffolding Ltd Directors to the opposing of Slavery or Human Trafficking in any form. To this end, the Board asks everyone to engage with this Policy in ensuring the achievement of this goal.
